Date: 17.08.2023

Pre-Bid Meeting Summary

TENDER ID: 2023_MDNER_722384_1 dated 8th August'2023

Name of the Bidder	Sr. No.	Document References (s)	Description	Clarification Sought	Remarks by NEHDC
Centre for Development of Gem & Jewellery	1	Critical Date Sheet	EMD Fees	We are registered MSME Unit, we believe MSME units are exempted for Tender Fee as well as EMD fee. Pl. confirm	Bidder may be exempted from paying Tender Fee and EMD fee provided the documentary evidences including Government notification are submitted.
	2	3.1. (C)	Minimum eligibility condition to submit bids	There is a clause in tender that there must be a full-time authorised representative at Guwahati for 2 years. What will be the role of representative and why do we need him? It will certainly increase the Supply Cost	Required to ensure that communication between NEHDC and the selected supplier is prompt + responses from selected supplier for post delivery services are effectively coordinated + accountable representative of the selected supplier is nearby.
	3	3.2.A. (7)	Statutory requirements	In 3.2-7, Consent for pollution control is asked for. However, a pollution certificate is not required for machine manufacturing	Statement not true.
	4	3.2-B	A. Experience requirements	The unit registered in Assam will have some plus marks. Will it be applicable to companies who have supplied such units in Assam earlier	Yes.
	5	5-2	Criteria for Technical Evaluation of the Bidders	Document required for Turnover in last 3 years- Normally CA certificate for showing turnover of company is applicable in tender. We can submit CA certificate.	CA certificate shall be acceptable.

6	Quality of Machine & Tools	How the committee will ensure about the quality of machine & tools wrt to price. There is a difference in approach for execution of project and supply of just machines	NEHHDC has expertise to decide about appropriate Grade of machinery required to establish the proposed centre.
7	Delivery time	What will be the delivery time given for the machineries?	The delivery time for supplying of the machines will be 30 days from the date of sanctioned order.
8	Electricity scope	What is the electricity scope for the plants and machineries?	Electricity backup is available at the premises.
