PM hails

NEW DELHI, March 9: Prime Minister Narendra Modi today hailed the BJP's landslide victory in municipal board polls in Assam, saying this shows the people's faith in the party's development agenda. "Gratitude to the people of Assam for blessing BJP and our allies in the recently concluded municipal elections," Modi tweeted. - PTI

The BJP-AGP alliance secured 759 wards, while the Congress emerged victorious in 76 wards, and 'others' in 141 wards

GUWAHATI, March 9: Notwithstanding price rise, unemployment and numerous civic and infrastructure shortcomings in the urban areas of Assam, the ruling BJP, along with its junior ally AGP, swept the elections to 80 municipal boards of the State, results of which were announced today. As per data released by the State Election Commission (SEC) Assam, the BJP-AGP alliance secured 759 wards, while the Congress emerged victorious in 76 wards, and 'others' in 141 wards.

SEC Assam has not given a break-up of the exact number of wards won by each of the individual parties in the municipal board elections till the time of fil-

ing of this report. Sources in the SEC Assam said that a party wise break-up of winners is likely to be released tomorrow. However, Chief Minister Himanta Biswa Sarma tweeted that the ruling alliance has won in 807 wards, with the BJP securing 742 wards and

the AGP getting 65. As per the Chief Minister, the Congress has won in 71 wards and 99 wards have gone to 'others'.

Sarma also tweeted that the ruling alliance has won 77 out of the 80 municipal boards, with the BJP emerging winner in 75 boards and the AGP in two.

According to the Chief Minister, the Congress has won only one municipal board, while in two municipalities the independents have emerged as the largest group.

SEC Assam has not given any figure regarding the number of municipal boards won by each party.

A total of 2,532 candidates were in the fray. Polling was held on March 6.

Likely to take flights to India today

NEW DELHI, March 9: The last big group of 600 Indian students evacuated from the northeastern Ukrainian city of Sumy has boarded a special train from Lviv for Poland. They are likely to board flights to India on Thursday. The students reached Lviv in western Ukraine from Poltava on another special train. "Ambassador flags off special train with 600 Indian students from Sumy University at Lviv railway station. They will travel to Poland and are expected to board evacuation flights to India tomorrow. Be Safe Be Strong," the Indian embassy in Ukraine said in a tweet on Wednesday.

Several videos emerged on social media showing the students holding Indian flags and raising "Bharat Mata Ki Ja" slogans. Covering hundreds of miles across Ukraine, using multiple means of transport, the students are being evacuated from the war-hit east European country after their two weeks of excruciating stay in beleaguered Sumy.

The Indian government is carrying out a most delicate and challenging evacuation exercise under Operation Ganga to help stranded Indians leave Ukraine.

The operation in Sumy began on Tuesday morning when the last big group of 600 Indians was evacuated from the city. The Indian nationals were taken from Sumy in a convoy of 13 buses escorted by the International Committee of the Red Cross (ICRC) to Poltava, Anshad Ali, a student coordinator, said. The students are enduring a strenuous journey to escape the war-hit region. This is the second attempt to evacuate them from Sumy, which has been witnessing heavy shelling and intense gunfire ever since a Russian offensive on Ukraine began last month.

Russia-Ukraine war compounds newsprint crisis in India

R DUTTA CHOUDHURY

GUWAHATI, March 9: The Russia-Ukraine war has added to the newsprint crisis in India as over 60 per cent of India's newsprint needs are met by importing paper from Russia. Moreover, the shortage of raw materials due to the Covid pandemic in the last couple of years also added to the crisis and prices have gone up abnormally.

The price of imported newsprint, which was Rs 63 per kg in March last year, has increased to Rs 80 per kg now and it may increase further if the war lingers for a long time. The price of in-

Over 60 pc newsprint needs met by imports from Russia

digenously produced newsprint has also increased sharply. The price of B grade paper was Rs 58 per kg in March last year and

now it has increased to Rs 77 per kg while the price of C grade paper increased from Rs 51 to Rs 74 per kg. Moreover, there is an acute

shortage of paper as the mills do not have enough raw materials and they are running at 20 to 30 per cent capacity and some mills have already closed down.

The Assam Tribune contacted some prominent newsprint dealers of the country to know the reasons for the present situation. Around 60 per cent of the imports are from Russia but because of the war, India is not in a position to import newsprint from Russia.

NEW DELHI/LUCKNOW/PANAJI, March 9: Political parties were bracing for the Assembly election results on Thursday in the crucial State of Uttar Pradesh, Punjab and politically volatile Uttarakhand, Goa and Manipur, sending out feelers for possible post-poll tie-ups.

On the eve of the counting of votes, the Election Commission announced the removal of three officials, including the nodal officer for EVMs in Varanasi, after a massive controversy erupted over Samajwadi Party's allegation that electronic voting machines were being shifted in an unauthorised manner.

The poll panel also deputed Delhi's Chief Electoral Officer as a special officer in Meerut and the Bihar CEO in Varanasi. Prime Minister Narendra Modi's parliamentary seat, to supervise the counting of votes.

It is a high-stakes election in Uttar Pradesh for the BJP and the Modi government as

the State sends the highest number of 80 MPs to Lok Sabha and the party's performance is expected to have a bearing on the next general election slated for 2024.

As the post-poll scenario could throw up surprises due to multi-cornered contests, the parties have dispatched senior leaders to the States and were also wooing other parties to ensure that they get the bet-

Over 650 counting observers deployed to monitor process

ter of their rival claimant in case outside support is needed to form a government.

More than 50,000 officials have been deployed for the counting of votes at nearly 1,200 halls in the five States and COVID-9 guidelines will be followed during the exercise that will begin at 8 am amid tight security, according to officials.

Uttar Pradesh, which has a

maximum of 403 Assembly constituencies, will have more than 750 counting halls, followed by Punjab at over 200.

Over 650 counting observers have been deployed in the five States to monitor the process.

Video and static cameras have been installed at all the counting centres in UP; an official said in Lucknow. A total of 250 companies of CAPFs (Central Armed Police Forces) have been provided to all the districts and commissionerates of Uttar Pradesh on March 10, the police said. According to officials, a CAPF company usually has around 70-80 personnel.

If the BJP gets a majority in the 403-member Assembly, it would be the first party to get a consecutive second term in over three decades.

PM reviews COVID situation

NEW DELHI, March 9: Prime Minister Narendra Modi today chaired a meeting to review the COVID-19 situation and the public health response to the pandemic, government sources said.

Home Minister Amit Shah and Health Minister Mansukh Mandaviya attended the meeting, besides a number of senior government officials.

The meeting comes amid a steady decline in the number of COVID cases nationwide, with most of the restrictions lifted.

India logged 4,575 new coronavirus cases, taking the total tally to 4,29,75,883, while the active cases dipped to 46,962, according to data updated today. - PTI

NMC removes upper age limit for candidates

NEW DELHI, March 9: The National Medical Commission has removed the upper age limit for those appearing in NEET-Under Graduate 2022 exam, officials said today.

The upper age cap put by the Central Board of Secondary Education (CBSE) in 2017 was 25 years for unreserved candidates

and 30 years for reserved candidates. In a notification, the CBSE had stated that "the upper age limit for NEET-UG is 25 years as on the date of examination with relaxation of five years for the candidates belonging to SC/ST/OBC category".

"I would like to inform that it has been decided in the 4th NMC meeting held on 21st Oct, 2021 that there should not be any fixed upper age limit

for appearing in the NEET-UG examination. Therefore, the information bulletin may be modified accordingly.

"Further, the process for official notification to suitably amend the regulations on Graduate Medical Education, 1997 to this effect has been initiated," a communication sent by Dr Pulkesh Kumar,

Secretary, NMC to Dr Devvrat, Office of Senior Director, National Testing Agency, on March 9 said.

The age criteria had often been questioned in the Supreme Court and High Courts of the country.

With the age limit criteria removed, aspirants can now appear in the medical entrance exam as many times and even after taking admission to other courses, an official said. - PTI

Urban people appreciated govt's work: BJP

Civic poll victory due to misuse of money power and administrative machinery: Cong

PRANJAL BHUYAN

GUWAHATI, March 9: The 'development agenda' and 'initiatives for administrative reforms' undertaken by the Himanta Biswa Sarma-led State government have been appreciated by the urban population of Assam, and the electorate have rewarded the ruling alliance by giving it a comprehensive victory in the elections to 80 municipal boards, results of which were declared today, asserted the BJP. Principal opposition Congress, on the other hand, claimed that the BJP's success was due to "misuse of money power and the administrative machinery" by the ruling party. "The credit for our party's victory goes to the people of Assam, as well as to Chief Minister Himanta Biswa Sarma and State BJP president Bhabesh Kalita. From day one, the government led by Chief Minister Sarma has been working 24x7 for development of Assam and Citizens of the State have witnessed this government's developmental and reformist agenda and acknowledged its efforts," State BJP general secretary Pu-

lak Gohain told this newspaper. He asserted that citizens of the urban areas have been the major beneficiaries of the various "reform measures" initiated by the government. "Steps have been taken to eradicate red-tapism and bring governance to the doorstep of the citizens. Layers of bureaucracy have been done away with and the process of administrative work streamlined. The government's efforts to provide facilities at the doorsteps of the citizens have been welcomed. People no longer have to make rounds of municipal offices to secure trade licences or permission for house construction. The citizens have felt that there is something totally different and progressive about this government. The electorate also realised that the Congress and other opposition groups have been using them as mere vote banks for decades, while the BJP has implemented social welfare and developmental schemes which have reached the targeted segments," Gohain said. He added that the BJP is committed to introducing and im-

plementing some new schemes in the municipal board areas. "Besides regular civic activities, we also have some innovative schemes lined up for implementation in the municipal boards, including opening clinics covering two or three wards and establishing market places in all the wards," Gohain said. The Congress party, however, alleged that the BJP used money power and the administrative machinery to win the civic polls. "The ruling party used money power in a big way. The BJP resorted to intimidation of Opposition candidates and used unethical methods to influence the voters," APCC general secretary Aparita Kumar Bhattacharjee said. He said the party in power at the State-level always enjoys an advantage in local elections. "We may have lost the polls but we are not disheartened. The Congress party put up a tough fight in most of the municipalities, despite the fact that our party was never very strong in the urban areas of Assam. We did remarkably well considering the circumstances," he said.
